

# Will Irvin

Full-Stack Web Developer

1800 Lookout Lane Apt. 3  
Charlotte, NC, 28205  
**704-796-2523**  
**will.irvin18@gmail.com**

## UNC Charlotte, Center City Web Bootcamp

**July 2019 - January 2020**

### PROJECTS

**Findaband** - A project designed by me and three others. You can search a musical artist and get show dates, a link to tickets, a bio, and some related artists.

[Link to Findaband](#)

**Eat The Burger** - A simple app designed so that you have database persistent "burgers" you can either add to, or "eat"

[Link to burger app](#)

**Crystal Collector Game** - A javascript web browser game where you attempt to match a certain number using the random values of the crystals
